FANTASY THEMES

Each region has been assigned a different "theme". The themes are intended to inspire contestants' onstage fantasies that are appropriate to the image of masculine sexuality and to showcase the diversity of leather interests. Contestants are encouraged to be creative and expand the boundaries of their themes. A complete list of regions and their themes is published on www.L LeatherSir.com.

INTERNATIONAL LEATHERSIR AND LEATHERBOY® Judging Method

LeatherSir and *Leatherboy*® contestants shall be scored by panel of judges using an Olympic scoring system in the categories and points outlined below:

- a) Interview - up to 60 points per judge - Each individual contestant will meet with the judging panel offstage prior to the contest to answer the judges' questions about the contestant's interest in leather, BDSM and fetishes, knowledge, and interaction with his regional Sir/boy counterpart and the community, and willingness and ability to represent the title.

- b) Introduction/LeatherSir or Leatherboy® Image - up to **20 points** per judge for **speech plus** up to **20 points for image** - Each individual contestant will appear onstage to introduce himself to the audience and briefly describe his background or interest in the leather community, while wearing the attire that best represents his **LeatherSir or Leatherboy®** image. It is not encouraged to expound on a political "platform." The onstage Introduction shall be no longer than two (2) minutes.
- c) Fantasy - up to 60 points per judge - Each pair of contestants will perform an onstage leather sexual fantasy that conforms to the region's assigned "theme." The onstage Fantasy shall be no longer than five (5) minutes. At the international level, the **Leatherboy®** contestants do not perform a separate fantasy. Instead, **LeatherSIR®** contestants are required to include their regional **Leatherboys®** in their fantasies, and both contestants are scored individually for their participation in the fantasy sequence. Points may be deducted from the **LeatherSIR's** fantasy score if there is not meaningful interaction between the **LeatherSIR®** and **Leatherboy®** during the fantasy.
- d) Physique/Jockstrap - up to 40 points per judge - Each individual contestant shall appear onstage in body-revealing attire which emphasizes his best physical feature.

The time restrictions shall be strictly enforced for each of these categories. The time restrictions and allocation of points may be modified with prior notice to the contestants and regional sponsors.

In the Olympic scoring system, the highest and lowest of the judges' scores will be discarded in each scoring category and the remaining scores will be summed. The contestant whose aggregate score is highest will be declared as the winner. The contestant whose score is second highest will be declared as the runner-up. In the event of a tie under the Olympic scoring system, the non-olympic scores will be used to determine the winner. If both the Olympic and non-olympic scores are tied, the scores of an alternate judge may be used to break the tie.

In addition to the winners and runners-up, one of the contestants may receive a Brotherhood award as the most congenial contestant, selected by a secret poll of the contestants, den daddies and den staff. The Tallymaster shall tally the Brotherhood ballots.

FRATERNIZATION WITH JUDGES

All contestants shall be prohibited from having private meetings or engaging in sexual activity or leather scene play with the judges prior to the announcement of the results. Any behavior that might create even the appearance of bias will be brought to the attention of the head judge, who will decide if the disqualification of the judge and/or contestant is warranted. To avoid accidental violation of this policy, all contestants and judges should display their identification badges at all contest events.

Judging Method

- The foremost duty of the Winners is to promote the goals of the International LeatherSir, Leatherboy and ICBB organization and its local and regional sponsors in a positive light throughout the year.
- One of the foremost expectations that we have of our Winners is that during their title year, they will conduct themselves as positive role models. Flagrant violation of this expectation may result in forfeiture of their title.
- The Winners may not compete in any other “leather” or “fantasy” contests during their ILSb/ICBB title year.
- Each winner is required to organize **3 fundraising events** during their title year, of which two will benefit the Southwest Leather Pride Travel Fund and one will benefit the charitable cause designated by the Winner.
- In addition to the 3 required fundraising events, the Winners are encouraged to help with fundraising for other worthy causes.

In the Olympic scoring system, the highest and lowest of the judges' scores will be discarded in each scoring category and the remaining scores will be summed. The contestant whose aggregate score is highest will be declared as the winner. The contestant whose score is second highest will be declared as the runner-up. In the event of a tie under the Olympic scoring system, the non-olympic scores will be used to determine the winner. If both the Olympic and non-olympic scores are tied, the scores of an alternate judge may be used to break the tie.
